SUMMER PLEASURE IS ENJOYED AGAIN

The Mattapoisett Band Concert Season started last Wednesday with a wonderful selection of band and musical comedy music all of which carries so well in the evening breezes of the wharf. This is one of the unique pleasures of the summer. In mid harbor, as shown in the above photo, the SHENANDOAH lay at anchor as her vacationing passengers came ashore to hear our band. To some of them, perhaps, this was like rowing back to a far more enjoyable era. The beauty that surrounds us in our wate

lin E. Jordon, "I love America, and I will gladly give my life to preserve the freedom our forefathers created, so that our children and their descendants can forever enjoy the blessings we have inherited."

First Lt. Greg Louden, a veteran of Operation Desert Storm, poignantly recounted his experiences, and deeply moved those attending by stating that he would never forget the three men of his company who did not return.

Following the program there was music by the Woodchoppers of Rochester, and a square dance exhibition by the Highland Squares of Westport. Watermelon for all attending, provided by donated funds, was served by Selectman Paul Lambalot, Gene Pursley and Arthur Blackburn. A grill for barbecuing was made available by Andrew Chase.

Planning for the event were Fire Chief Donald Wood, Selectmen John DeCosta and Paul Lambalot, Wayne Oliveira of the Mattapoisett Lions Club, Antone Rapoza and Evelyn Pursley of the American Legion, Florence Eastman Post #280; Cliff Tripp, Fire and Water Department; Evelyn Ellis and John Bradley, Fire Department; Helen Richmond, Congregational Church Guild; Dorothy Lewis and Lee Yeaton, Mattapoisett Woman's Club. Posters for signing up to attend were made by Jane Welch.

A hearty thank you to the many people who donated funds for the banner, and the expenses of the picnic, and a very special thank you to the Presto Press for their help in spreading the word.

Posters made by the Old Hammondtown students were on display at the gazebo as well as an exhibition depicting the Bill of Rights. The Rescue Truck, manned by John DeCosta, Jr. and Scott Marcosa held 'open house" and described their valuable services to many interested residents. We appreciate and thank the Legion Post for the use of the hall and flags.

MEDEX SUBSCRIBERS:

Please be aware of the dangers of **MAIL ORDER PRESCRIPTIONS.**

The following is Resolution Number 5 of the Annual Meeting of the National Association of Retail Druggists.

Resolution Number 5:

MEDCO'S TWILIGHT ZONE

Whereas, corporations employing pharmacists who practice pharmacy via the mail are virtually unregulated or in a "twilight zone", leaving the public in the states where the prescriptions are received unprotected; and

Whereas, the practice of pharmacy is a profession and cannot be regulated under the Commerce Clause as commodities moving in commerce; and

Whereas, in the recent Iris Hemmelman death, featured by CBS, Medco Containment Services, Inc. and its subsidiaries claimed that only New Jersey, the location of its corporate headquarters, had jurisdiction over the conduct of the pharmacists, **not** Idaho, where the prescription was received, **not** Washington, where the third party contract originated, and **not** Nevada, where the subsidiary formulated the prescription; and

Whereas, during the investigation of the Idaho case, law enforcement authorities determined that more than 200 similar cases existed but had not been investigated, including more than 100 that were 'lost' by Medco at its corporate headquarters; and

Whereas, similar and comparable allegations from every corner of the country are being made against Medco, including a recent expose by the Texas legislature:

BE IT RESOLVED that NARD request appropriate authorities in the state of New Jersey, including the governor, attorney general, and the board of pharmacy, to investigate the practice of pharmacy via the mail by pharmacists employed by Medco in New Jersey and other states, including Florida, Ohio, Texas, Nevada, and Washington; and

BE IT FURTHER RESOLVED that if it is claimed that resources are not available to conduct a thorough investigation, that NARD seek the assistance of the United States Department of Justice and the assistance of the House and Senate Appropriations Subcommittees with the responsibility for the Justice Department, including the DEA and the criminal and organized crime divisions.

These young people have come together, taking time from their summer vacations or post-high school employment, for the love of the theater and performing. The rehearsals, set construction and performances are enjoyed by them all. But more importantly, these actors have come together to help the ORR Drama Club in these difficult economic times; many programs are suffering from fiscal cut-backs and their continued existence sometimes is in doubt. To prevent this from happening to the Drama Club these performers and stage crew members are presenting Jesus Christ Superstar as a fund-raiser for the club.

Various cast and crew members can also be seen at area festivals selling tickets to a raffle benefiting the ORR Drama Club. The first prize is an 8' Pilot Sailing Dinghy (valued at $1,500), the second prize is a V.I.P. Dinner/Theater package for two (including dinner at The Mattapoisett Inn and two tickets to Jesus Christ Superstar),

Basic Beach Service

MATTAPOISETT SELECTMEN'S MEETING
JULY 2, 1991

Selectman Paul Lambalot reported on his investigation of problems at the beach which have resulted from concerns of residents reported to selectmen. Mr. Lambalot said that the primary concerns were the need for sanitary facilities, the parking problem on Barstow Wharf and the antics of kids. He said that the hot weather has brought numbers of people to the beach, especially on weekends. The parking on Barstow Wharf is in disarray as cars park in all directions and kids run all over the parking lot and the sanitary facilities are needed there. He said that the general consensus is that Beatrice Ingram is needed to oversee the parking and that the kids greatly benefit from her supervision. Mr. Lambalot recommended that the bathhouse toilet facilities be opened. He said that the Park Department has some $2000 from the Enterprise Fund and he estimated that a 9-week period for matron and attendant would cost approximately $2800. He said that he felt that the selectmen should step in and provide these basic services before the situation gets out of control.

Selectman Daniel Mahoney commented that "we have a situation that requires attention and this is a limited and appropriate thing to do. It would be a disservice to do nothing."

Mr. Lambalot moved that the basic service be provided and the vote was unanimous.

Mr. Peter Kortright was present at the meeting and he commended the selectmen on taking this action. He explained that he was meeting with them to suggest an alternative to opening the beach for the summer months since most town residents do not have beach access except for the town beach. He suggested privatizing the beach with an "organization" to run the beach.

Mr. Kortright said town residents and families who use the beach regularly could be asked to pay a seasonal usage fee of $50.00 per family. He also said that daily parking fees for non-season pass-holders could be charged at a fee of $5.00 per car. He added that if these basic fee assumptions did not result in adequate revenues for staff, then the difference could be made up from special fund-raisers and from profits made from the concession stand.

Mr. Mahoney replied that the town has to conform to statutes that apply to publicly owned land. He said that the town cannot avoid the impact of these laws. He stated that he himself was not in favor of leasing out the beach. Mr. Mahoney added, "The problem is that the public beach is a high risk use of land". He said that the selectmen must be very concerned that the board "ought not to do something that the townspeople voted not to do. The voters have spoken on the override. I am very much against it. With Paul's plan we will not charge fees."

Mr. Kortright asked, "Would the selectmen consider a proposal to privatize the town beach?" Mr. Mahoney replied, "We feel that the town meeting should decide."

Executive Secretary Carol Adams reported to the selectmen that state officials are requiring commitment to a boat sewage pump-out station at the town wharf before permission will be granted for town wharf repair. The State Department of Environmental Protection will require the station as part of the licensing process for the wharf. The deadline for building such a station would be 5 years.

Joseph Costa, project manager of the Buzzards Bay Project, advised that $40,000 is available for assistance for such construction. They will consider up to $5,000 per municipality to implement mobile boat pump-out facilities, up to $3,000 per community to purchase and install tight tanks for mobile boat pump-out facilities, up to $15,000 per municipality to fund all aspects of land-based facilities.

Selectmen announced the hiring of Beatrice Ingram and Kim Normandin as parking lot attendants and Pam Hiller to be in charge of the bathhouse at the town beach.

Selectman John DeCosta was appointed as representative to the Plymouth County Advisory Board. Selectman Paul Lambalot is the alternate.

sentative John Bradford enclosing a summary of various local aid proposals as well as a summary of the major local aid accounts for Mattapoisett. These are not final cherry sheet numbers; they are preliminary figures prepared to show comparisons between FY 91 and the recently approved budget.

Mr. Bradford wrote, in part, "Although I am not happy about any cut in aid, I am pleased that the final budget did not make the types of cuts first proposed by the House or Senate Ways and Means Committee. I am also pleased that the Governor and Legislature tried to offset these cuts with some changes in state mandates and regulations."

Mr. Bradford also wrote that he had been informed by an official at DOR that the cherry sheets will become available in approximately 2 weeks after the Governor signs the budget.

Executive Secretary Carol Adams reported that in a discussion with Mr. Carroll of the Division of Standards, she was advised that the selectmen can restrict the hours and areas in which hawkers and peddlers license holders are allowed to sell, and that state permit holders must also comply with any restrictions the board should impose. This will be further discussed at this week's selectmen's meeting.

An advertisement for bid on repairs to the town wharf has been submitted for publication. Bids will be received until August 2nd at 4:00 p.m.

Marion Art Center

RECEPTION PLANNED

A reception will be held at the Marion Art Center on Sunday, July 21st, from 5:00 to 7:00 in the evening to officially open the permanent collection of Cecil Clark Davis portraits. These portraits were donated to the Center by various individuals, and through the generosity of Mrs. Stanton Davis and Mrs. Charles Arms, the paintings are now properly lit and hung in the auditorium.

Cecil Clark Davis was an internationally known portrait painter in the early 20th century. A Marion summer resident, Miss Clark met the dashing author and war correspondent Richard Harding Davis, and they were married in St. Gabriel's Chapel, Marion in 1899. The wedding guests included Ethel Barrymore, Lionel Barrymore, Charles Dana Gibson, R. W. Guilder and many noted artists and literati. The Davises traveled throughout the world, and even though Richard was more famous, Mrs. Davis held her own as a portrait painter and won many prizes.

The Marion Art Center has honored the memory of Cecil Clark Davis by naming one of its galleries after her. Now the Center hopes to be home for some of the paintings that made her famous.

Regular gallery hours are Tuesday - Friday, 1 to 5 p.m.; and Saturday, 10 a.m. to 2 p.m. There is no admission charge.

COMMUNITY BIRTHDAY CALENDAR

The Mattapoisett Woman's Club is again sponsoring the Community Birthday Calendar for 1992. Last year we featured the beautiful picture of Ned's Point Lighthouse taken by Win Jenney. This year we are inviting interested photographers to submit a picture that is appropriate to Mattapoisett. The photo will be individually printed and mounted on each calendar so it may be removed and kept at the end of the year. The photographer's name will be printed on each calendar (over 900 last year!).

You are asked to submit one print and negative measuring 3½"x5", 5"x7", 4"x5", etc. Pictures may be cropped from top or bottom, not the sides, if necessary. Finished picture may be 3½"x7".

citizens as they have agonized over their town budgets and their abilities to meet municipal and educational obligations. I have known them to value the quality of the programs offered at the Regional schools and to ultimately make the correct decision to support the children and our programs. I have great confidence that knowledgeable people know us; know that we are neither wasteful nor frivolous as Mr. Roach implies; know that we have been obliged to thoughtfully and painstakingly cut critically important materials and services from our programs since the impact of Proposition 2½. Like all of you I have listened at town meetings and shared in the agony as the last, most influential institution in our country has become more and more imperiled. Unlike many of you, I have not engaged in the cavil which has assumed a larger importance at the town meeting floor.

Why then, you ask, should I respond to Mr. Roach? Because too much is at stake. At risk is an institution which skillfully and consistently provided educational quality at a reasonable expense, within our abilities to provide. There is nothing frivolous or

indiscriminate about the operations of the District schools. Yes, it's the biggest business in town. Yes, it's removed from the center of town. However, the children who attend our two schools are Mattapoisett kids, the same young people who carried little lunch pails to Center School a few years ago! In this instance, Mr. Roach's zeal in describing his findings in the landfill are potentially harmful to the children of Mattapoisett.

He is correct about one thing. The timing of the disposition of that junk, the timing of his article and the timing of his picture taking and the timing of his diatribe are definitely bad. Like Mr. Roach, a member of my staff is a frequent visitor to the landfill. In fact, a number of the important pieces of furniture in his classroom were "retrieved" from the Mattapoisett landfill. I sought in vain for some Polaroid film to capture and provide the obligatory pictures. He had the opportunity to retrieve the "good" furniture that Mr. Roach has pictured. That furniture had already been given to "another less fortunate school system, one that has always stayed within the budget that the voters determine", as described by Mr. Roach. And yes, that less fortunate school system is of course our own. For you see, ladies and gentlemen and Mr. Roach, Tabor Academy sent those worn out pieces of furniture to us over seventeen years ago after flotillas of their young sailors had worn them out in the millennia preceding that date. Unable to make any further effective use of those rusted artifacts, we are finally disposing of them.

Give us a break, Mr. Roach! Most of the kids at our schools are guilty of bad timing, too. In your estimation, one that is hopefully not shared by many, they appear to exist at a moment when the time-honored commitment to educate them is no longer valid.

Robert C. Gardner
Principal, ORRJHS

Editor's Note. In Mr. Gardner's letter he refers twice to Mr. Roach's "article", which was printed by the Presto Press as a letter to the editor.

As a concerned taxpayer, parent, and school committee person, I feel a further explanation is needed.

These desks were donated to our school district by Tabor Academy seventeen years ago after they had served their useful life at Tabor. They were then used by the high school until they were no longer needed. They have been cluttering a storage shed and were finally discarded recently. And now you know ... the real story.

Carolyn Cardoza

LETTER TO THE EDITOR

Failing to obtain approval of its budget in two of the three member towns, the Old Rochester Regional District School Committee is required by law to recertify the budget within thirty days of the last town election. That phase completed, this letter is intended to inform the communities of our actions. Mattapoisett's disapproval of the budget would result in a $478,000 cut. A reduction of that magnitude would require severe cuts in the level of services to our students. In the meantime, the state had yet to announce its aid to the communities. While awaiting the outcome of state aid, the school committee, along with the administration, worked hard through the Massachusetts Association of Regional Schools and our legislators to lobby for at least level funding of state aid. We were successful in our efforts. The restoration of $81,000 in state aid, the offset of an additional $14,000 in estimated receipts, along with our reduction to the budget of $146,000, totaling $237,000, enabled us to reduce the assessments to the member towns. The $146,000 reduction is the sum total of the following:

1. $70,000 - Reduced health insurance premiums (20% projected increase budgeted, 4.5% actual increase as the result of change in county plan).
2. $37,900 - Elimination of state mandate for teacher retirements.
3. $38,200 - Level 1 cuts by committee:

Assemblies	$ 2,000
High School Curtains	$ 3,200
Aide	$ 5,000
Custodian Overtime	$ 5,000
SPED Salary Adjustment	$ 5,000
Speech	$ 7,000
Supplies, Equipment, Texts	$11,000
Total	$38,200

In our hope to continue to provide the current level of services to our students, the committee voted to return to the voters for their consideration of an assessment reduced by $241,000 leaving $237,000 to be raised and appropriated.

This results in a request of $90,000 in Mattapoisett and $82,000 in Rochester.· The District also returned to Marion ($19,000) and to Mattapoisett ($29,000) the contributions they made in 1987 to fund a Blue Cross/ Blue Shield deficit in the amount of $66,000. With the return of $29,000, the net request to Mattapoisett would then be $61,000.

The $237,000 represents a five percent overall budget increase with:

2.1%	Fixed Charges (insurances, pensions, etc.)
0.6%	Utilities
0.5%	Transportation
0.1%	SPED
1.7%	Balance of operations

This approach retains the current level of services to our students, levels which have served this school community extremely well. To put the matter in perspective, let us take a look at some of the results.

In the graduating class of 128 students: 81.4% will go on to higher education, of whom 62.6% will attend four-year colleges/ universities and 18.8% will attend two-year colleges.

For the entire student body of 535 at the high school, we had two students drop out this past year, representing less than one-half of one percent, the lowest rate of

Mattapoisett Council on Aging

The Council on Aging would like to consider the possibility of setting up a "Time Credit Bank" for volunteers. This is an idea that is being explored and discussed nationally, to assist people in need of services by providing volunteers.

The volunteers in turn would receive "credit" for their time. In return, if the volunteer should need help at some point, they would be entitled to help.

Orientation sessions featuring aerospace engineering, aircraft maintenance, computer science, electrical engineering, and meteorology were also offered.

Parks College has been training students for aviation-related careers for over sixty years. Founded in 1927 by aviation pioneer Oliver L. Parks, it is the nation's first federally certified college of aviation. It offers undergraduate degrees in 13 areas, including aircraft maintenance engineering and avionics, and a master's degree in aerospace engineering. An airframe and powerplant certificate program, approved by the Federal Aviation Administration, is also offered.

Nemasket River Canoe Trip

Join the Lloyd Center for Environmental Studies on an all day canoe trip as we explore the Nemasket River on Saturday, July 20th. The Nemasket River is a popular canoeing site. The river runs from the Assawampsett Pond in Lakeville to the Taunton River.

Learn canoeing skills or improve on your present skills as you enjoy the outdoors in small groups with experienced leaders. The Lloyd Center's education and research staff will lend their expertise as we investigate the natural history and wildlife of the Nemasket.

Experience New England by water this summer with the Lloyd Center instead of battling crowds at the beach or on the highways. As our canoe trips become more popular, pre-registration is required in order to ensure your spot on the canoe trip. Call today at 990-0505 or stop by the Lloyd Center at 430 Potomska Road in South Dartmouth, 9 a.m. to 5 p.m.

Butterfly Count, Lloyd Center

This fun and educational outing is perfect for the whole family as well as the more advanced students of lepidoptera.

Fees for the Xerces Society Butterfly Count are $5. for Lloyd Center members and $7. for non-members. The rain date will

Summer Youth Festival, Zeiterion

Zeiterion Theatre's "Once Upon a Time", 1991 Summer Youth Festival, presents "THE GINGERBREAD BOY", performed by the Gingerbread Players & Jack on Wednesday, July 24th, at 10:30 a.m. Shaw's Supermarkets is the sponsor of the summer youth festival for the third year in a row.

The Gingerbread Players & Jack present this charming musical fantasy with a beautiful and surprising score written by Earl Robinson, one of America's foremost composers of folk music. The company retells the story of the Gingerbread Boy and his family - his mother and his dog, Trustworthy Nearsighted Ned - in a new adventure with Gilda the Rich Witch.

Elsa Rael, well-known for her many award-winning children's plays, used her literary inventiveness in writing this parable on the power of a mother's love. Mr. Robinson's score is enhanced by the sparkling musical arrangements of Broadway composer Michael Valenti.

The Gingerbread Players and Jack is a professional children's theatre company from New York, dedicated to presenting shows rich in

Mattapoisett Recycling

The Mattapoisett Recycling Center, located at the town landfill off North Street, is open every Tuesday through Saturday, 8 a.m. to 2 p.m. A recycling attendant is present to help you sort your items.

Now being accepted are:

Plastic and glass containers must have caps, neck rings and foil or styrofoam removed. All items must be clean.

Also at the landfill, leaves and grass clippings are accepted for composting. No ticket or sticker is needed for recycling or composting; Just you!

Newspaper recycling is being done with C.L.E.A.N., Inc. of Rochester. The next date is July 27th, 9 a.m. to 2 p.m., at the A&P parking lot in Mattapoisett; also at the Rochester Town Hall. Only newspapers are accepted, preferably tied in bundles, but bagged newspapers are O.K.

From Old Colony

Old Colony Regional Vocational-Technical High School is seeking local businesses or individual craftspeople to assist its non-traditional students through shadowing and mentoring programs. These students, who have chosen to enter fields which are traditionally sex biased (all male or all female), are provided job training and support programs by the school but would be greatly benefited by the opportunity to learn from professionals already employed in their fields.

Under a shadowing program, individuals are matched with young people studying in their field. Arrangements suitable to both allow the student to spend a day or longer in the actual work place, observing or participating as deemed appropriate by the host company.

Mentoring involves the establishment of a one-on-one relationship between a worker and a student. The team sets up a program of mutual benefit which might include occasional meetings or phone conversations, training sessions, shadowing or a variety of other opportunities for communicating and sharing experiences.

Hospice Golf Tournament

SET FOR AUGUST

The first annual Lighthouse Hospice golf tournament will be held on Friday, August 16th, at Bay Pointe Country Club in Onset, according to Hugh O'Brien, director of fund-raising for the Wareham-based organization. The afternoon and evening affair is being organized by a committee of Friends of Hospice led by golfer Jean Briggs of Marion.

Highlights of the tournament will be 18 holes of golf on the par-70 course with impressive prizes, a lavish Texas barbecue buffet dinner afterward, and an exciting silent auction throughout the afternoon and early evening, Mr. O'Brien said. Prizes will be awarded for individual scores, both low gross and low net, with other contests to be announced. The first player to hit a hole-in-one on the first hole will win a 1991 Buick Reata convertible donated by Gateway Buick of Wareham.

The entry fee of $75. per player will include 18 holes, golf cart, use of the locker room and showers, and dinner. Time of the shotgun start is 12:30 p.m. Afternoon guests are welcome in the clubhouse, and non-playing guests may join in the dinner and evening for $20. Advance reservations are necessary for golfers and for dinner guests.

A silent auction will feature a number of handmade and unusual items donated by area individuals and merchants. Local businesses and professionals are sponsoring individual holes.
